

# PERSONAL PROTECTION PENDANTS & SHIELDS

Dimensional Design Products, Inc

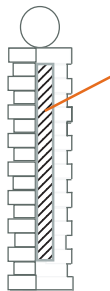

The Vitaplex is our most comprehensive solution for keeping the body balanced and protected

## VITAPLEX Life Force Energy Pendant

\$139.95

Bathed in fields of energy that soothe, rebalance and clear away your stress while energizing and protecting you. That's what you'll get when you wear the Vitaplex. This handsome pendant carries a vibrational program designed to enhance your body-mind's natural ability to purify and rebalance. It also protects one against electromagnetic radiation and jet lag. Unlike other pendants, magnets or gems, the Vitaplex continually changes its "broadcasting" to the energy field of an individual as one's condition changes on a daily basis. Created with a vibrationally imprinted holographic circuit (permanently sealed within). Sterling Silver Pendant. The rhodium plated 24" sterling silver snake chain will not tarnish. Carrying case and holographic card included for protecting and storing the pendant.

Hundreds of frequency-specific subtle energetic signals designed to balance the energy of the body-mind are encoded in the Vitaplex. These encoded patterns:

- Direct support through the energy field - the master control system of the body
- Help regulate and restore integrity to the bodily functions thru the energy field
- Help cells to generate energy and function correctly
- Engender positive emotions; promote calmness and relaxation
- Counter environmental pollutants; protect one from EM radiation; counter jet lag and ease travel

Front  
2" x 2" card

## PROTECTOPLEX Shielding from Electromagnetic Radiation

\$44.95

The PROTECTOPLEX Environmental Protection card is a designed to clear, balance and protect you from disharmonious energies related to electromagnetic radiation & environmental stress. This is an ideal energetic solution to shield you from electromagnetic fields, geopathic disturbances, and other noxious energies by preventing toxic EMFs from contaminating your personal energy field. Ideal for work environments and travel.

The Protectoplex card can also be a helpful solution to anyone who is overly sensitive to subtle energy fields and the ambient atmospheres of places and people. Each card is supplied with a pouch for storing the card and a pouch for wearing the cards

3/4" bronze tube

## VITAPET Protecting Your pet

**PENDANT** Animals and pets also suffer from radiation exposure. The Vitapet sets up a protective shield around your pet and is an excellent device to help maintain and restore vitality and well being to your pet. The Vitapet is a 3/4" bronze tube that carries an energy program to help maintain and restore your pet's vitality and well being. The Vitapet effectively clears and protects your pet from detrimental environmental energies combating the harmful effects of electromagnetic pollution in all its forms. Simply attach the pendant to the animals collar. It is very effective in neutralizing stress and balancing any abnormal energy flow in the animal's body caused by toxic environments. It has a positive, calming effect on your animal's disposition and supports your pet's alertness, energy and vitality.
